

## **REMARKS**

### **Status of the Claims**

Claims 40-56 are allowable. Claims 61-63 are canceled.

### **Claims 61-63 are Canceled**

The Office has rejected claims 61-63 at paragraph 1 of the Office Action, under 35 U.S.C. §103(a), as being unpatentable over U.S. Patent No. 6,377,662 (“Hunt”), in view of U.S. Patent No. 6,999,755 (“Park”). These rejections are moot as Applicant has canceled claims 61-63 without prejudice or disclaimer.

### **Claims 40-56 are Allowable**

The Office has indicated at paragraph 4 of the Office Action that Claims 40-56 are allowable.

## **CONCLUSION**

Applicant has canceled claims 61-63 leaving only allowed claims 40-56 currently pending. Accordingly, Applicant respectfully requests reconsideration and withdrawal of each of the objections and rejections, as well as an indication of the allowability of each of the pending claims.

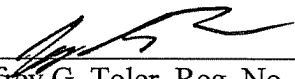

Any changes to the claims in this response, which have not been specifically noted to overcome a rejection based upon the prior art, should be considered to have been made for a purpose unrelated to patentability, and no estoppel should be deemed to attach thereto.

The Examiner is invited to contact the undersigned attorney at the telephone number listed below if such a call would in any way facilitate allowance of this application.

The Commissioner is hereby authorized to charge any fees, which may be required, or credit any overpayment, to Deposit Account Number 50-2469.

Respectfully submitted,
